FREE Pregnancy Test

If you think you might be pregnant, your first step is to make sure with a free medical grade pregnancy test.

Schedule an appointment today.

FREE Ultrasound

As many as 40% of early pregnancies end in natural miscarriage, so a positive pregnancy test doesn't necessarily mean you are having a baby.

About Us

The Pregnancy Resource Center of Athens County is a locally organized and funded 501(c)(3) non-profit organization that has been serving Athens and the surrounding counties since the Spring of 2003. We offer a variety of FREE services to meet the needs of our community and are here to help with whatever concerns you may have. As you consider your options, our trained consultants and staff will listen to your situation, assist with problem solving, and help provide direction and needed resources.

If we can assist you in any way, please call us at 740.592.4700.

Mission Statement

The Pregnancy Resource Center is dedicated to strengthening women and families by serving those with pregnancy-related concerns and by promoting sexual integrity. We provide education on abortion and its

alternatives, as well as assistance surrounding pregnancy.
